**Previous Hours Used:**

I previously used a total of \_\_\_\_\_ Hazlewood Hours.

I am applying for continuation of the exemption from payment of tuition and fees under Texas Education Code §54.341, (The Hazlewood Act). I understand that I may be entitled, under the law, to this exemption for up to 150 semester credit hours at Texas public institutions of higher education. For the purpose of accounting for the total number of hours for which I receive this exemption, I grant permission to any institution in which I have enrolled or will enroll to release credit hour information to the Texas Veterans Commission and the Texas Higher Education Coordinating Board, and further grant permission to the Commission and Board to share such information with any institution that I might attend. I certify that I still meet the requirements in Part D or, if a Legacy Child, Parts D and E of my initial Texas Hazlewood Act Exemption Application (Form TVC-ED-1).

**DISCLAIMER:** I certify that I have verified my Hazlewood hours through the TVC online database and confirm that I have sufficient hours to cover the semester requested. I further understand that if I have provided inaccurate, incomplete, or untrue information on this application, I may be required to reimburse the institution for tuition, fees, and penalties pertaining to the Hazlewood Exemption. My signature confirms that I am responsible to pay the Student Services Fee and failing to do so may result in my de-registration for non-payment even if the exemption is processed on my bill. I am responsible to pay any additional fees that result in registering in the event that I am dropped from my classes.
